Upstate ATV Association, Inc.

The Upstate ATV Association Newsletter for January 2007

Hi everyone,

Well, another year is starting and we have gotten through all the activities of the end of 2006. We are now looking forward to spring, getting our ATVs ready to go, looking for the maps that will soon be provided to us by our club and the insurance that we are soon to receive.

Trails

We will be expanding our trail system starting in the spring. With this in mind, we will need volunteers to help us achieve our goals. As the winter continues, we will be determining the trail priorities and asking everyone for any comments they may have about the trails. As you know, we have a trail committee that is active and will be ready for the 2007 season. If anyone would like to volunteer, please call Mark Bauder at 845-8409. We will all appreciate your help.

Web Site

Many of us have computers and our webmaster updates and maintains a web page www.upstateatv.com. It is a comprehensive collection of our present and future goals and some history of our organization. Our newsletter points this out because much time has been spent updating and maintaining the site.

Club Insurance

The insurance that the club will provide for members will be just that. It will cover members of the club and not those that wish to ride without the benefit of being a member. It is designed to protect those that are part of the club and also the landowners in our area. In our future Newsletters we will be telling you more about the benefits of such coverage.

Mid Winter Party

As we told you in our December 2006 Newsletter, we are planning our February 10th, 2007 winter get-together at the Community Hall here in Norway. It will be open to everyone interested and will be a donation of ten dollars per person, including guests to cover refreshments and entertainment. Every family and guests are asked to bring a covered dish. Please call Perry Siver at 845-1542, telling him what you are going to bring and the number of people attending. Please send RSVPs by February 1st 2007. We ask you to mark your calendars now so that we can have a good turnout.

Thank you very much for your enthusiasm.
Lauren Young, Newsletter chairman
