July 2006

Dear members:

The club attended the Ohio days, and had planned a ATV rodeo. The rodeo was unsuccessful as no riders registered to participate in the event. The club had a chicken BBQ on both days of the event, and sold out of chickens each day.

The State University of New York Forestry is doing a survey about ATV use and trails, and they will be sending survey packages to our members. We are asking that you please take the time to fill out these surveys and return them to the university.

The town of Ohio is still working on getting their roads open for ATV use. The club will issue a list of the roads that will be open, and when they will be opened for ATV use.

Lauren Young has done a pair of articles that were published in the Five Point Compass. One article was for Upstate ATV Association, Inc. and the other was for the Town of Ohio. Nice job Lauren.

NYSORVA Region 6: Is in the process of setting of the terms of long term and short term goals. The local clubs will let their members know, when these goals have been set.

Don't forget the 5th annual raffle tickets are available (see sample below). We are raffling a 400CC Polaris Sportsman, as well as numerous other prizes. The tickets are \$5.00 each.
