December 2006

Hi Everyone,

Another year is drawing to a close and we are waiting for the 2007 ATV riding year. We are looking forward to what we hope will be one of our best years ever. We, as an ATV club can apply for insurance that will cover club events and club members riding on trails and legally established roads. Landowners that have agreed to allow us to have a trail on their property will also be covered.

We are actively asking towns in our area to open additional roads for ATV recreational use. Our hopes are to establish a trail and road system that will give the ATV enthusiast more area in which to ride with interlinking routes across town lines.

We are making maps that will be updated as needed showing the areas that can be used for riding and will be color coded and placed in local establishments. These will be listed next month in our newsletter.

The Upstate ATV club has been active this summer building and maintaining a trail that connect the Military Road to the Newport-Gray Road in Norway.

We had summer activities such as a chicken Bar-B-Q at the Snowbash in Ohio, New York. Several prizes including a four wheeler were awarded. We thank everyone that donated prizes to make this a success. To the willing people that have helped so much, we thank you. We couldn't do it without your help.

On February 10, 2007, our club plans a winter get together at the Community Hall here in Norway. It will be open to everyone interested and will be a donation of ten dollars per person to cover refreshments and entertainment. Please bring a covered dish to share. Please call Perry Siver at 315-845-1542, telling him what you are going to bring. Please send RSVP'S by February 1, 2007. We ask you to mark your calendars now so that we can have a good turnout. You will find a RSVP form on the newsletter that you can use if you plan to attend the Midwinter party.

We hope that everyone had a very good year, and wishing everyone a great next year also.

Thank you very much for your enthusiasm
Lauren Young, Newsletter chairman.
